LANGUAGE PROFICIENCY ASSESSMENTS WITH LAS LINKS ONLINE

- Provides quicker, easier, and more convenient ways to administer and score English and Spanish language proficiency tests with DRC INSIGHT.

- Group-administer all domain assessments for reading, writing, listening, and speaking—eliminating the need for one-on-one testing found with traditional paper-and-pencil assessments. Minimize the time needed for administration and scoring, saving districts and schools considerable expense.

- Provides opportunities for "on-demand" testing.

- Students' spoken and written responses are captured electronically.

- LAS Links Online provides the flexibility of local or DRC scoring of students' holistic responses.

- Educators will have immediate access to informative diagnostic reports, allowing them to quickly determine vital information about a student's English and/or Spanish language proficiency.

- Provides access to organized and easy-to-read reports and graphs that can be saved in the system and then shared with teachers and administrators to revise instruction, and if needed, recommend remediation.

- Eliminate the time-consuming process of manually calculating language proficiency test results.
