

# Enhanced Interactive Online Reporting System for LAS Links

**NEW! Student Dashboard** Displays a student's most recent results by skills and strands for quick review.

## DRC IS LAUNCHING AN IMPROVED INTERACTIVE ONLINE REPORTING SYSTEM FOR YOUR ASSESSMENT PROGRAM!

This system will provide the same great features and reporting data that you have come to rely on with the current interactive system, including a variety of user-defined preferences, filters, sorting, data disaggregation, and download capabilities. Our system builds upon the existing strong foundation, offering several enhancements and new technologies.

- **Single sign-on (SSO)** integration with the DRC INSIGHT Online Learning System, providing you with seamless navigation between and across all DRC products and assessment services
- **Advanced data visualizations** that provide many more options for viewing and analyzing data, including new filtering options for greater customization
- **Consolidation of reports** so that you can see data in a tabular and graphical format on the same screen
- **More contemporary look-and-feel** and improved navigation for the user interface

## ENHANCED REPORTS:
